NANOTECHNOLOGY EDUCATION AND RESEARCH

## NORTH PENN HIGH SCHOOL

# NANOTECHNOLOGY AND ENGINEERING PRESENTATION

The Engineering Design and Development students at North Penn High School will be offering an engaging and exciting presentation about nanotechnology and their research on Tuesday, May 29, 2018 in the Audion at North Penn High School in Lansdale, PA.

You will see live demonstrations of the students' research, members from the North Penn NASA Research Team, representatives from the Class of '62 scholarship committee, 3D scanning and printing, a custom designed video game, and much more!
